VADAPALLI SATYA VARDHAN

Dr No 1-143/1 S Atchutapuram Kakinada 533004

OBJECTIVE

My goal is to become associated with a company where I can utilize my skills and gain further experience while enhancing the company's productivity and reputation. In whichever field I choose, I always strive to give my best and will work hard to do so

SKILLS

I have a good experience with programming languages that include C, C++, Java, R and python. I am very much inclined towards web development and skillful in front end languages that include HTML, CSS, JavaScript.

ADDITIONAL INFORMATION

I am always inclined towards photography and I really good at capturing the best moments. I am an amateur artist and participated in some drawing competitions.

Bachelor of Technology

Grades : **8.6**

Bhashyam IIT JEE Junior college

Passing Year - 2022

Intermediate

Grades : **959**

Bhashyam High school

Passing Year - 2020

School

Grades : **10 gpa**

PROJECTS

Landing page

As a part of my summer internship at Codsoft in web development, I created a landing page using basic HTML and CSS.

Portfolio

The next project is my portfolio which I developed using front end development languages.

Spotify clone

Cloned Spotify web page so as to improve my web development skills.

A sample web page

I developed a Doctor appointment web page in order to verify my skills.

ACHIEVEMENTS & AWARDS

Python programming: I finished a certified course from Cisco Networking Academy in Python programming.

I was also awarded a certificate in Cyber Security from Cisco Academy.

I also acquired two certificates in computer network courses, one being Networking Essentials and the other one is Packet Tracer.
